CONTINUING EDUCATION

This conference is designed to meet the North Dakota and Minnesota EMS Association’s requirements for contact hours for EMT and paramedics. Application will be made for continuing education contact hours for law enforcement.

Sanford Health Center for Learning is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Education Approval & Recognition Program (CEARP), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Participants must attend the entire activity to receive ANCC contact hours. 6.9 ANCC contact hours.

Sanford Health is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 7.00 hours of Category A continuing education. Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the continuing education activity. Sanford Health Provider #: P2211

TARGET AUDIENCE

The target audience for Trauma Tactics includes: pre-hospital providers, RNs, LPNs, and Law Enforcement.

LODGING

ABOUT REGISTRATION

The conference fee includes breaks, lunch, and workshop materials.

No refunds after February 5, 2015.

Registration will be accepted at the door.

This offering is scheduled on a Sunday based on feedback from previous Trauma Tactics evaluations.

In the event of storm cancellation, all registrants will be notified via radio and/or TV storm emergency announcements. You can call (701) 234-6448 for a recorded message in the event of inclement weather.

Out of respect for those attending Trauma Tactics, pagers and cell phones should either be turned off or placed on vibrate mode and answered outside of the conference room.

Temperature may vary in the conference room – dress accordingly.

TRAUMA TACTICS 2015

An EMS Appreciation Conference

Sunday, February 8, 2015
Holiday Inn
I-29 & 13th Ave. S.
Fargo, ND
OBJECTIVES
Upon completion of this conference, the participant will be able to:

1. List three lessons learned through the review of thoracic trauma case studies.
2. Describe the medical-law enforcement conflict issues in EMS, hospitals, and law enforcement.
3. Describe the indications for removal of piercings during a trauma resuscitation.
4. List three current trends in management of the trauma patient.
5. Describe the aspects of effective medical death investigations.
6. Describe the necessary communication between health care providers and the coroner’s office.
7. List three priorities while caring for critically injured trauma patients.
8. Describe the pathophysiology of heart and lung injuries.
9. Describe the primary trauma care management of the critically injured pediatric patient.

PURPOSE
The goal of Trauma Tactics 2015 is to decrease mortality and morbidity in the trauma patient population. Upon completion of this activity, the learner will have enhanced their knowledge in order to provide optimal care for trauma patients.
